

Rockwood's first Grant Butte reservoir was built in 1931. The photo on the left was taken in 1939. The photo in the middle was taken on March 29, 1969. Rockwood built the 1 million gallon reservoir pictured in 1967. The photo on the right is from Bing Maps 2015. The District's Grant Butte Reservoir was demolished in 2008. The reservoir in the photo is the City of Gresham's Grant Butte reservoir.
