

# FEE STATEMENT REQUEST FOR ENGINEERING & CONSTRUCTION SERVICES

# R4

**Rockwood Control #:20- R4**

The Fee Statement Request Form (R4) is required for projects that will involve public water system extensions such as a new water main or installing a public fire hydrant.

The District will prepare an estimate that identifies our cost to provide system extensions. A scalable site utility plan will be necessary for an accurate estimate.

Date	Property Address	Permit Number
